

Senior AGM – items to cover.

Playing number.

Are numbers remaining strong despite the knock-on effects of Covid, with M&Y membership at 260+ - bringing in just over £26k - and we continue to get a few new enquiries every week. Special mention to the micro's and 6's who continue to have strong numbers.

Unfortunately, we didn't have an U16's this year, which will have a knock-on affect on our colts going forward, which will hopefully be addressed with the new RFU rules.

Membership costs will increase for the coming season:

Girl's touch, Micros and 6's - £90 (£85)

7-11's - £115 (£110)

12's + - £125 (£115)

Kitchen

Big thank to Shirley in the kitchen for her hard work this year.

Gross kitchen sales on a Sunday just over £8,500

Waverley Festival

We hosted the Waverley festival in October, which saw just over 500 kids from 4 clubs having fun in the rain. A small festival like this is something we should look to do more often as it pretty much covered, along with kitchen sales, M&Y running costs for the season.

Playing.

Some highlights are:

- 7's – 11's won more than they lost in their festivals and numbers continue to Grow
Girl's touch started with a bang, and we now have a great core group training every week
- Under 10's had a great day out, playing on the hallowed Twickenham turf before the Quins Bath game.
- Under 12's played a record 21 games, winning 10, drawing 1 and losing 10 - scoring 79 tries over the season.
- Under 13's had a great season and numbers remain strong
- Under 14's won the Chairmans cup at the Surrey 7's and 3 players successful at the Quins trials.
- Under 15's struggled for numbers at the beginning but teamed up with Dorking to ensure the boys got to play every week. 1 player in the Quins set up.

This was my last season at the helm of the M&Y section, and I just want to thank all the coaches, TM's parent, and players for showing great commitment and continued support of our fantastic club.

I know that Andy and Jonny will do a great job and ensure that the M&Y will continue to be huge success.

Lastly, thank you to everyone on the committee for their continued hard work.... a lot of which goes unnoticed.
